EDITOR LEAVES FOR SERVICE

GARVEY TO BE NEW EDITOR

December 11, 1943 is another date that will certainly be placed among the other great dates of American History for on this date Bill Behler was inducted. There was quite a battle between the Army and the Navy for his services. The Navy won the fight and he was put into the Army.

Thus it was on January 3, Bill ex-editor of the Xavier News reported to Fort Thomas to assume his new important duties as a Buck Private in the Army of the United States. This is quite a promotion for Bill as previously he had led a Doctor Yokel and Mr. Hide and Seek existence holding the rank of 1st Lieutenant of the ROTC on Saturdays and Technical Sergeant the other days of the week.

Bill's parting was certainly a sweet---sorrow(?), for just as the Arab he silently folded his baggy pants and slipped away on a Banana peel into the night.

Seriously though Bill will be missed as his commands are heard no more on the drill field, as the gentle clippity-clop of his big feet crash through the corridors no longer, and as his caustic comments are heard no more in the smoker where the "Elite meet to eat."

John Garvey the former News Editor will attempt to fill Bill's shoes, as the new Editor.

On Tuesday, January 11, Captain Jussel informed the sophomore military students that those who had four semesters of military science would not be obliged to continue this course. However, he urged everyone to continue. The studies will be the same as in the preceding semester, with emphasis on Rifle Marksmanship.

THAT'S LIFE

This is the baloney column, and we can dish it out as long as you can stand reading it.---Bob Bamberger has informed us that the football sweaters have arrived. Would someone please be so kind as to pick up Bob's for him? He just can't seem to get around to it.---Worry Clinic; Did the girl friend seem a little distracted on the weekend date? If so, don't let it worry you. She just saw Frank Sinatra's movie, and won't get over it for weeks.---Ed Rieckhoff has the strangest nightmares. In them, he sees nothing but Rainbows.---It is rumored that Dick Nieman received an application for his mail plane job from the Postmaster General. There was another application sent from Texas by a gal named Tess, who saw a good chance to ~~see~~ the country and get her pistol back at the same time. Gunnin' for Al Dexter, no doubt.---Our sports editor, Larry Austing, leaves for service soon. Sad case. He's going in to the Air Corps. Such a nice fellow, too.---If Capt. Burwell starts boasting about his high rifle scores, you can forget it. He uses a shotgun, figuring that it's hard to miss the target that way.---The candy in the smoker's machines should be rationed. Five minutes after the machines are filled there's nothing left but Cloves Gum and Jelly Beans.---Hear that Coach Crowe is up to his old tricks again.

ROTC TO GET NEW EQUIPMENT

The eleven trucks used by the military department have been sent to Columbus. The reason for this is that all the trucks we had were of a 1939 model or even earlier. Parts for these models are now unobtainable.

In return for these trucks, the military department has received one new 1942 1 1/2 ton truck and will receive in the near future a staff car.

THAT'S LIFE (continued)

He's been painting rosy pictures of life at Xavier to certain high school grid stars.---The intra murals have been taken over by "subs". A visiting player invariably walks off with scoring honors.---If Flat-top doesn't decide what to do with Dick Tracy soon, we'll go nuts.---The Glee Club better get a practice out of their systems. We've been hearing "Sweet Adeline" again.---Flash!--- Watch this column for further notice on a series of articles about Musketeer grid and cage heroes of former years.---What ever became of the "big" dance? We have not heard it mentioned since Christmas.---If you want to catch Chuck Smullen in a friendly mood just start whistling Bob Crosby's "Big Wind From Winnetka".---I wonder why?--- Ever since the announcement of the new rocket plane Newport bookies have been offering 10 to 1 no one will reach moon hill.
